**TRAINING TITLE**

Security Management, Planning and Asset Protection with Integrated Security Solutions

**VENUE**

DUBAI, UAE

**DURATION**

5 Days

**DATES**

12 - 16 FEBRUARY 2024

**PRICE**

\$5,250 per attendee including training material/handouts, morning/afternoon coffee breaks and Lunch buffet.

**TRAINING INTRODUCTION**

Envisioned Security leaders armed with the necessary professional skills and knowledge are the only way to create value added departments. As quickly as the world and technology develops, so do the security risks and threats. Some companies make the gross error of viewing their security departments and employees as lower level functions. However, a good culture of Security will enhance definition of what the Security discipline is all about and explains the value and cost benefit analysis it will bring to the organisation.

So, in order to achieve this consistent level of best practice this training seminar is structured to equip delegates with the specialist security knowledge to perform their management and supervisory duties to international standards in Security Planning, Asset Protection and Integrated Security Projects.

**TRAINING OBJECTIVES**

**Upon successful completion of this course, the delegates will be able to:**

- Identifying the importance and components of an integrated security system

## **METHODOLOGY**

Our courses are highly interactive, typically taking a case study approach that we have found to be an effective method of fostering discussions and transferring knowledge. Participants will learn by active participation during the program through the use of individual exercises, questionnaires, team exercises, training videos and discussions of “real life” issues in their organizations. The material has been designed to enable delegates to apply all of the material with immediate effect back in the workplace.
