**TRAINING TITLE**

Corporate Security

**VENUE**

Dubai, UAE

**DURATION**

5 Days

**DATES**

19 January – 02 February 2024

**PRICE**

\$5,250 per attendee including training material/handouts, morning/afternoon coffee breaks and Lunch buffet.

**TRAINING INTRODUCTION**

The Corporate Security course is an essential program designed to equip professionals with the knowledge and skills necessary to safeguard organizations in today's dynamic business environment. As businesses navigate an increasingly complex landscape, the importance of robust corporate security practices cannot be overstated. This course is tailored to empower individuals responsible for ensuring the safety and integrity of corporate assets, information, and personnel.

**TRAINING OBJECTIVES**

**By the end of the course, participants will:**

1. Understand the fundamentals of corporate security and its role in organizational success.
2. Identify potential threats and vulnerabilities specific to their industry and implement proactive measures.
3. Develop strategies for crisis management, incident response, and business continuity.
4. Acquire knowledge of the latest technological advancements and best practices in corporate security.
5. Enhance communication and collaboration skills for effective security coordination within the organization.

**TRAINING AUDIENCE**

This course is ideal for security professionals, risk managers, executives, and anyone tasked with protecting the well-being of a corporate entity. Whether you are new to the field or seeking to enhance your existing skills, this program provides a comprehensive understanding of corporate security principles and strategies.

## **TRAINING CERTIFICATE**

**MAESTRO CONSULTANTS** Certificate of Completion for delegates who attend and complete the training course

## **METHODOLOGY**

Our courses are highly interactive, typically taking a case study approach that we have found to be an effective method of fostering discussions and transferring

knowledge. Participants will learn by active participation during the program through the use of individual exercises, questionnaires, team exercises, training videos and discussions of “real life” issues in their organizations. The material has been designed to enable delegates to apply all of the material with immediate effect back in the workplace.
